Management Officials

Marketing and Regulatory Programs (MRP) Administrators, Associate/Deputy Administrators, and Directors (Program, Staff, Regional, Lab, and Division) or their designees are responsible for general administration of the Career Enhancement Program (CEP).

Supervisors will:

Supervisors

- Adhere to merit principles and equal opportunity and civil rights principles which include the USDA and MRP commitment to achieving workforce diversity in filling CEP positions.
- Provide information to employees on career counseling.
- Work with the servicing personnel office to identify suitable opportunities to create CEP positions. When necessary, restructure existing jobs to establish trainee positions.
- Ensure that CEP training opportunities are available to all eligible employees (potential applicants).
- Ensure that funding is available for training identified in the participant's individual training plan (ITP).
- Complete and submit required forms when an employee participates in the CEP (see [Section D](#) for specific guidance on CEP documentation).
- Monitor progress by determining that career objectives outlined in employees' ITP's are being met. Encourage employees in their efforts to reach their maximum potential.
- Regularly evaluate the employee's performance and progress in meeting training and performance standards and provide counseling during periodic performance reviews.

An employee who participates in the CEP will:

Participants

- Participate in development of the ITP, the individual goal-setting process, and career counseling activities;
- Provide data and information, as requested, for various career development segments;
- Inform the supervisor of progress made toward completing the training; and
- Extend his/her best efforts toward successfully completing the requirements of the ITP and performing at standards set for the target position.

The SPO office will:

**Servicing
Personnel
Office (SPO)**

- Serve as the point of contact for supervisors and employees by providing technical guidance;
- Assist supervisors in identifying positions appropriate for use in CEP;
- Classify positions for CEP opportunities, issue vacancy announcements, evaluate applications, facilitate rating panels, and issue selection certificates;
- Assist supervisors, in collaboration with the training office, in identifying training and educational needs required to attain the target position;
- Maintain records/statistics required for administration of the CEP, and submit reports as required; and
- Provide assistance and information to facilitate the development of civil rights surveys and studies.

MRP Human Resources (MRPHR), Employment and Classification Policy (ECP) Branch will:

Policy Office

- Develop and maintain MRP policy concerning the CEP;
- Provide guidance and interpretation of policy matters relating to the CEP;
- Notify MRP programs of new developments in the administration of the CEP; and
- Monitor and evaluate the effectiveness and progress of the CEP.

MRP training offices in Organizational and Professional Development will:

Training Offices

- Provide guidance, methodology, and advice on the training aspects of the CEP;
- Encourage managers and supervisors to identify career opportunities for employees who are undertrained;
- Assist managers in preparing ITP's for CEP participants; and
- Serve as training advisors and career counselors to supervisors and CEP participants.

MRP civil rights staffs will:

**Civil Rights
Staffs, Updated
1/25**

- Assist in the identification of target occupations and positions;
- Provide data on under-representation by race, sex, grade level, and occupational series to MRPHR personnel;
- Monitor participation and track career development of minorities, women, and persons with disabilities in the CEP; and
- Provide management with CEP affirmative employment updates and advice.
