2024-APHIS-07330-F	Javier, Mark	Plants Without Borders	I am requesting specific data related to the importation of plants into the United States for research purposes. The information I am seeking includes: 1. Total Amount of Plants Being Imported into the United States; 2. Total Value of Plants Being Imported into the United States; 3. Total Amount of Import Permits that Exist in the United States; 4. I am requesting information on the total number of plant import permits issued in the United States; and 5. Total Amount of CITES Permits that Exist in the United States. This information is essential for my research on the importation and regulation of plant materials in the United States, focusing on understanding the scale and economic impact of these activities.	08/20/2024
2024-APHIS-07331-F	Javier, Mark	Plants Without Borders	I am conducting research aimed at preventing plant diseases from entering the United States. I have already received a breakdown of all Emergency Action Notifications (EANs) for the past 18 years, including the country of origin, the destination, the plant, and the quantity. However, the data I received does not include the specific diseases associated with each EAN. Therefore, I am requesting records that detail the specific diseases linked to each EAN issued in the last 18 years. This information is critical for my research to identify patterns and potential threats of plant diseases entering the United States.	08/20/2024
