2021-APHIS-02371-F	(b) (6)	individual	2/16/2021	3/16/2021	My name is (b) (6) and I'm going through a divorce where I need to get information for the courts asap that my wife is failing to provide. Her business the (b) (6) shipped rabbits all over the world, but mostly in Asia. She got the shipments certified from the USDA south San Francisco office and the Sacramento office. From the forms I have found she shipped them with her name (b) (6) or (b) (6) and lots of other names. It wouldn't surprise me if her employees shipped them under their name too. Since we tried all the names I could think of I am now requesting a FOIA request for all international rabbit shipments from California. These may seem broad in scope, but it isn't because my wife was one of the only ones to ship rabbits from California or her workers who did it for her. This information is vital for the case and is to help my two little ones, who are 7 and 9. I would appreciate copies of all certificates for international movement of rabbits as far back as you can go. There may be some guinea pig and hamsters as well included with the rabbits. I requested a fee waiver because my wife has not paid child support or spousal support for the last 8 months and I would appreciate it if you could expedite it. Specifically, I am now requesting a FOIA request for all international rabbit shipments from California. These may seem broad in scope, but it isn't because my wife was one of the only ones to ship rabbits from California or her workers who did it for her.
