One is Close Encounters, which also goes by the name Ngala animal preserve, owned by Donovan Smith on Inez Road in Naples, Florida . Another is Kowichobee Animal Preserve owned by John and Grace Slaby in Golden Gate Estates/ Naples, Florida. I was hoping to obtain records on the animals at Close Encounters/ Ngala on Inez Road over the past three years and records of which animals they have on the property. Also I was hoping to learn of any investigations, incidents or reports there in the past three years. Would like the same done of Kowichobee Animal Preserve. The challenge is the Ngala does seem to change its name on different records and has properties owned by multiple people entities that make the 5 acre property supposedly 42 acres on Inez Road.
