2024-APHIS-04849-F	Bamberg, Jennifer	Investigative Midwest	May I please request the following records regarding Chronic Wasting Disease: 1. A list of all participants of the National CWD Herd Certification Program, please include name of business/farm/ranch, address (if not exempted), county, state, date of certification, date of expiration, whether or not outbreaks have occurred and when, and all available information; 2. A spreadsheet of all Chronic Wasting Disease detections in captive and wild cervids from between the years of 2000 and 2024, or as far back as the information goes. Please include the DATE of outbreak by month/day/year, county, state, species type, herd size, number of animals affected, and all available information. Please note: the information available on Sciencebase, [linked here: https://www.sciencebase.gov/catalog/item/58068050e4b0824b2d1d415d] is very helpful, including the zip file titled "CWD distribution data version history," but I am respectfully asking for a CSV or excel file of month/day/year corresponding to location of confirmed CWD; and 3. National data sufficient to show detailed information on captive cervid populations affected by CWD from between the dates of 1/1/2024 to the present day. By detailed information, I mean: name of business/farm/ranch, address (if not exempted), county, state, disposition of the animal with CWD (culled, vaccinated, recovered, quarantined, etc), total number of cervids and bovid species on site, whether bovid species (cattle, bison, goats, sheep) are raised on site in addition to cervids, and all available information.	05/24/2024

2024-APHIS-04861-F	Lash, Nathaniel	ProPublica	This is a request for the most recent run of the OA's MRP HPAI report detailing the status, approximate indemnity amount, and other details for each detection of HPAI in commercial and backyard flocks. The responsive records should be a spreadsheet with the following fields, as well as any others included in the source data: NAHLN Detection (date); Confirmed by NVSL (date); State; Location; Type; Species; Count; Status; Approximate Indemnity; Control Area/WOAH Surveillance Zone Release Date; and Notes. This data should be provided in a machine-readable format, such as an Excel spreadsheet. "The record I requested should reflect all reported HPAI detections from Jan 1, 2022 to the present (May 28, 2024). But the record itself should be more current — I requested the most recent run of the OA-MRP-HPAI report, which is a record that lists all reported detections since the first confirmation on Feb 8, 2022, through whenever the report is run."
