2024-APHIS-08003-F	Poppenga, Erin	University of Idaho College of Law	I am requesting the report and all accompanying documents (such as correspondence, fines, photographs, summations, etc) that came from the investigation that occurred in Boise, Idaho, at the Idaho Fair this year. The complaint was raised regarding animal welfare concerns against "Otter Adventure", owned by Gregg and Karen Woody, which was an act booked by the Idaho Fair. This occurred at some point in late August (between 16 and 25th). Sydney Kennedy of IUSDA investigated and reported that they did not have the proper AWA licensing, closing the exhibit. However, no information regarding welfare, punishment, or the investigation was released by media. I need this information to ensure the individuals, and the Fair, and held accountable for any animal welfare violations, which is not readily apparent in media reports.
